Indemnification

Customer agrees to accept all responsibility for loss or damage to any person or entity, including County, and to indemnify, hold harmless and release the County of Sonoma, its officers, agents, and employees, the Sonoma County Water Agency, its officers, agents, and employees (for Riverfront Park, Spring Lake Park and Wohler Bridge activities), from and against any actions, claims, damages, liabilities, disabilities or expenses that may be asserted by any person or entity, including customer, that arise out of, pertain to, or relate to the use or occupation of any part of the above-described premises by customer or any officer, agent, employee, representative, patron, customer, admittee, invitee, guest or other person in or on such premises at the direction, request or invitation of or pursuant to any agreement with customer. Customer agrees to provide a complete defense for any claim or action brought against County based upon a claim relating to the use or occupation under this Permit. Customer's obligations under this Section apply whether or not there is concurrent negligence on County's part, but to the extent required by law, excluding liability due to County's conduct. County shall have the right to select its legal counsel at customer's expense, subject to customer's approval, which shall not be unreasonably withheld. This indemnification obligation is not limited in any way by any limitation on the amount or type of damages or compensation payable to or for customer or its agents under workers' compensation acts, disability benefits acts, or other employee benefit acts. This indemnity provision survives the Permit.
