BERT WHITAKER
DIRECTOR

DAY USE RULES AND REGULATIONS

1. Pets must be leashed, under physical control and attended at all times. Maximum leash length is six (6) feet.
2. All dogs must have valid rabies inoculations or valid licenses.
3. Horses must remain in designated areas.
4. Animals or plants of any kind may not be released in the parks.
5. All vehicles are subject to the California Vehicle Code. All drivers must be licensed.
6. Bicycles and vehicles must follow posted speed limits. Bicycle helmets are required for riders under 18 years of age.
7. Motorized vehicles and trailers must stay on roads and in designated parking areas. They are not allowed on paths and trails.
8. Fires are permitted in fire rings and BBQ's only. Fires are prohibited on the beach.
9. Gathering or cutting wood is illegal.
10. Smoking is prohibited in all Sonoma County Regional Parks.
11. A gathering of 25 or more people, special events, classes or commercial activities require approval and a permit from Regional Parks, prior to the event.
12. Posting of signage, flyers, etc. is prohibited unless Regional Parks gives approval and written authorization.
13. Public nudity is prohibited.
14. Dumping of household trash is not allowed.
15. Inflatable devices (jump houses, etc.) are not allowed.
16. Model airplanes, boats and cars cannot be operated in any Regional Park.
17. Golfing is not allowed in the parks.
18. Shooting arrows, air or gas weapons, slingshots, rockets or fireworks is prohibited.
19. Hunting and possession of firearms are illegal.
20. Fishing, where permitted, is subject to California State Fish and Game regulations.
21. Fish cleaning and boat rinsing at designated areas only. Vehicle washing is prohibited.
22. Fishing or crabbing is not allowed from boat docks at Bodega Bay Parks.
23. Boats shall not be left unattended at boat docks.
24. All persons must wear USCG approved flotation devices while boating or wind surfing. Inflatable craft must have more than one air compartment.
25. Do not remove, deface, or climb upon park structures or trees.
26. All plants, mushrooms, animals, shells and geologic features, living or dead are protected and may not be removed.
27. Feeding, disturbing or harassing the wildlife is prohibited.
28. **PARKS AND GATES CLOSE AT POSTED TIMES.**
